HARDWARE

Additional post top and hardware options, as well as mount and bracket options are available to customize the look, accessibility or installation of your Nobility aluminum fence.

All posts come standard with pyramid post tops and all gates include self-closing hinges. We recommend adding a latch or drop rod, gate handle and gate stop to complete each gate project.

NELSON

The Closed Spear Top is an updated version of the classic spear style. Panels are available in 4' and 54" heights, 6' wide and feature 3 rails. Clean, sleek lines surround the traditional spear picket for a look that is stately yet sophisticated.
